

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC)	
SERVICE COMMISSION OF THE APPLICA-)	
TION OF THE FUEL ADJUSTMENT CLAUSE)	
OF JACKSON PURCHASE ELECTRIC)	CASE NO. 90-380
COOPERATIVE CORPORATION FROM)	
NOVEMBER 1, 1988 TO OCTOBER 31, 1990)	

O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on November 30, 1990 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Jackson Purchase Electric Cooperative Corporation ("Jackson Purchase") from November 1, 1988 to October 31, 1990.

As a part of this review, the Commission ordered Jackson Purchase to submit certain information including, inter alia, its monthly fuel charges for the period under review and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Jackson Purchase has complied with this Order. The Commission further ordered that a public hearing be held in this case, but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. Jackson Purchase has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

2. Big Rivers Electric Corporation ("Big Rivers"), the wholesale supplier of Jackson Purchase, has been authorized to transfer (roll-in) a 0.35 mills per Kwh increase in its base fuel cost to its base rates.¹

3. Jackson Purchase should be authorized to transfer (roll-in) a 0.37 mills per Kwh increase in its base fuel costs to its base rates to reflect, as adjusted for line loss, the transfer of a 0.35 mills per Kwh increase in Big Rivers' base rates and this can best be accomplished by an energy adder to each Kwh sold.

4. The rates and charges in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable, and reflect the transfer of fuel costs from the FAC to the base rate.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Jackson Purchase through the FAC for the period from November 1, 1988 to October 31, 1990 be and they hereby are approved.

2. Jackson Purchase be and it hereby is authorized to transfer to base rates those fuel costs (as adjusted for line-loss) rolled-in by Big Rivers from its FAC to its base rates.

¹ Case No. 90-360, An Examination by the Public Service Commission of the Application of the Fuel Adjustment Clause of Big Rivers Electric Corporation From November 1, 1988 to October 31, 1990.

3. The rates in Appendix A are approved for service rendered by Jackson Purchase on and after May 1, 1991.

4. Within 30 days of the date of this Order, Jackson Purchase shall file with the Commission revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 3rd day of April, 1991.

PUBLIC SERVICE COMMISSION
